Business Plan Components

Your venture proposal should include:

- **Community Overview:** Key demographics, economy, and public safety landscape.
- **Challenges Summary:** The issues your venture aims to solve and their community impact.
- **Solutions Summary:** Your proposed AI-powered solutions — emphasizing innovation, ethics, and measurable results.
- **Venture Organization:**
 - Products and services offered
 - Staffing needs and skill sets
 - Funding requirements and sustainability plan
 - Implementation timeline and milestones
 - Risk management and ethical safeguards
 - Partnerships with local government, education, and private-sector organizations
 - Workforce training and community engagement strategies
- **Rationale:** Is the venture viable? How can it scale or sustain impact?
